

# SCHEDULING A VISIT

To register for a field trip or to learn more about our programs, please call (703) 421-5322. Early fall and late spring are the busiest times of the year, so call early to get your date of choice.

Group sizes are limited to 60. Call for information if your group is larger. We require one adult chaperone for every ten children. Chaperones should not bring additional siblings. Please advise us of students with special needs when you register.

## FEES

Field trips are \$3.00 per student and \$3.00 per chaperone. Teachers are admitted free of charge. Full payment is required on the day of your trip. We accept cash, checks, and Visa or Master Card.

## TRIP TIPS

Get the most out of your day by scheduling a joint trip with Claude Moore Park (see reverse). The park offers a variety of educational programs designed to meet Virginia SOLs in science.

Claude Moore Park has eleven miles of hiking trails, picnic tables, a catch-and-release fishing pond, and wildlife such as deer, beavers, foxes, and many different types of song birds.

## DRESS

Portions of your field trip will be held outside. Please have students dressed appropriately for the weather.
